EDUCATIONAL BACKGROUND:

-Morehead State University, Morehead, United States:

Applied Engineering and Technology Management, 2015-present

-Shahid Beheshti University, Tehran, Iran:

Matriculated in Master Degree in Soft Computing - Structure of Logic Algebra, 2009-2010

-University of Guilan, Rasht, Iran:

B.Sc. in Pure Mathematics, 2004-2009

-Borhan High school:

2003-2004

-Shahid Rajaei High school, Karaj, Iran:

Mathematics and Physics Diploma 1999-2002

HONORS:

First Place, “Ayandeh Sazan” Nationwide Scientific Competition in Mathematics, 1997

First Place, “Ayandeh Sazan” Nationwide Scientific Competition in English Language, 1998

Member of Science Olympiad team of the University of Guilan, 2008

Acceptance to Mathematics Olympiad of Universities of North of Iran and Advance to the Final Stage, 2008

WORKING EXPERIENCES:

Project Analyst - “OMT.Co” Engineering Company, 2009-2010

Mathematics Teacher - “Din va Danesh”, High school, 2010-2011

-“Alvand”, Educational Institute 2010-2011

- "Sajjad" Private Educational Institute, 2010-2011

Courses: General Mathematics I, II, and III, Mathematical Analysis I, and Complex Functions.

Academic Adviser - "Ghalamchi", Educational Institute, 2010-2011

- "Din va Danesh", High school, 2010-2011

VOLUNTEER ACTIVITIES:

Tutor:

Courses: Fundamentals of Mathematics, Fundamental of Geometry, Sets Theory and Mathematical Analysis I

University of Guilan, 2004-2009

Online Teaching, 2012-present

LANGUAGE PROFICIENCY:

-English

-Farsi (Mother Tongue)

-German

RESEARCH INTERESTS:

Economic and Statistical Analysis

Geometry

Mathematical Analysis

Mathematics in Industrial

Linear Algebra

Engineering Mathematics

Computer Skills

Software: Matlab, Maple

General: Windows, Microsoft Office
